Intro to Islam

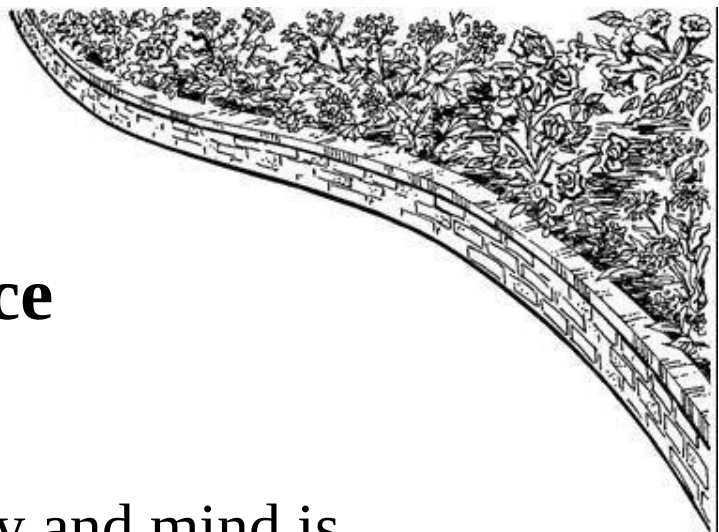

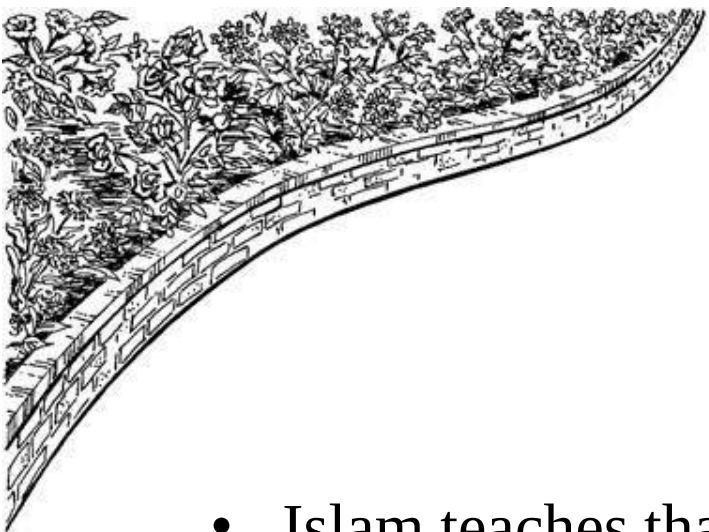

Definition of Islam

Literal Meaning

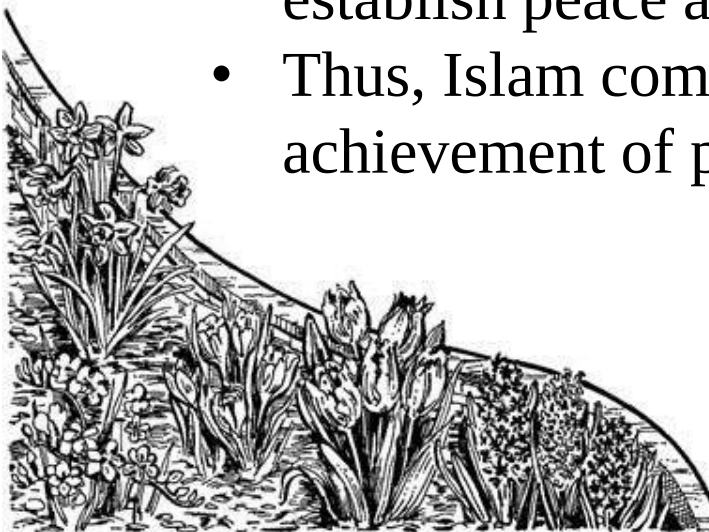

- The word Islam is derived from the Arabic root “Salama”, which means:
 - Peace
 - Submission
 - Obedience

Technical Meaning

- In the religious sense, Islam means submission to the will of Allah and obedience to His laws.
 - Everything in the universe follows the laws created by Allah and is therefore in a state of submission to Him.

Islam and Peace

- Islam teaches that true peace of body and mind is achieved through submission and obedience to Allah.
 - Obeying Allah's guidance brings peace to the heart and harmony in life.
 - When people follow divine guidance, it also helps establish peace and harmony in society.
 - Thus, Islam combines submission to Allah with the achievement of peace.
