Specially awarded Rights of Women in Islam

MLO 10.2.8

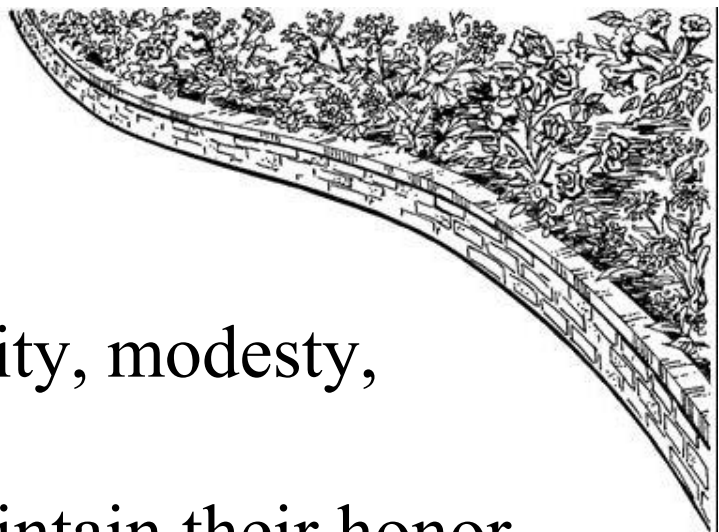

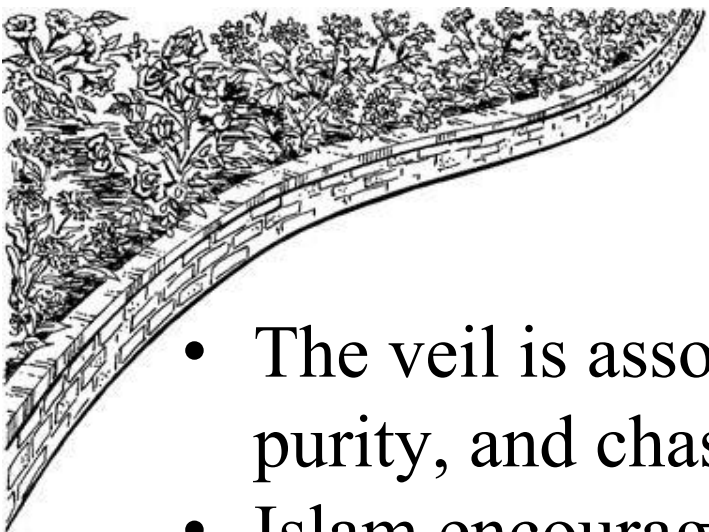

Discuss the role of women in Islamic prayer, the purpose of the veil, and the Islamic perspective on men's and women's roles.

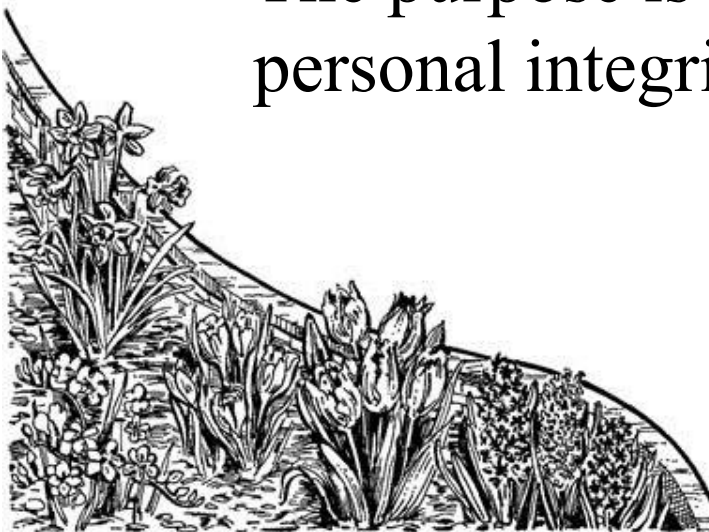

Standing Behind in Prayers

- Women standing behind men in prayers does not mean that they are inferior.
 - Women are generally not required to attend congregational prayers.
 - When they attend, women stand in separate rows.
 - This arrangement is for discipline and organization during prayer, not for judging importance.
- 
- 

Veil

- The veil is associated with dignity, modesty, purity, and chastity.
 - Islam encourages women to maintain their honor and protect their character.
 - Women are encouraged to avoid actions or behavior that may lead to immoral situations.
 - The purpose is to safeguard morality, dignity, and personal integrity.
